Hi [S22]

We have a FOI request for this project - BBRF56304 Round One – The applicant was found to be ineligible - Applicant has not provided adequate evidence of \$120,000 of co-contribution.

Our FOI team has requested the following:

- I require a copy of the notification of rejection document for BBRF56304 application.
- I require a copy of all internal departmental documentation of the assessment and the deeming of ineligibility of BBRF56304 application.
- I require a copy of a document that states the Department of Infrastructure, Regional Development and Cities required evidence to be provided by a co-funding contributor to the BBRF56304 application (I'm assuming this will be the Round One Guidelines, I can provide this?)

Cheers
