s22 a program of this nature and size needs appropriate guidelines, governance and other matters lined up before we can open it to industry to apply for funding.

Thanks for this info, Damian. Is the intention therefore that the fund won't be utilised pre election?

Cheers

Thanks s22

Appreciate the list, very helpful and comprehensive!

The Government will be establishing guidelines for this new program in due course, so we will be in touch following the election with more details.

Cheers, Damian

Hi Daff, Damian & Bec

Please see attached a spreadsheet of s22 priority projects in each state and territory that may be deemed eligible for funding under the Female Changeroom Fund announced in last week's Budget.

Note that some of the projects listed focus purely on change rooms and pavilions, while others are looking to develop state and regional centres/sites that include universal facilities. Most of the projects involve usage across multiple sports.

The spreadsheet also lists female participation numbers where they are available, however we can provide further information around female teams/usage on request.

Please don't hesitate to contact me if you have any questions.

Thanks

S22
