Dear Minister *Stuart*

Western Sydney Airport

I write following yesterday's announcement that the Turnbull Government will build the new Western Sydney Airport.

The announcement follows the decision by Sydney Airports Corporation Limited (SACL) that it will not take up its Right of First Refusal to build Western Sydney Airport. This is a very significant milestone as we work towards Western Sydney Airport being operational by 2026 and there has been considerable planning done for this contingency.

Thank you for your engagement, and that of your government, as we work towards developing Western Sydney Airport and its surrounding infrastructure. I look forward to continuing our close working relationship on these issues.

Should you or your staff need more information, please feel free to contact me or my Adviser, Mr Edward Steane. Mr Steane can be contacted on 0428 266 284 or edward.steane@infrastructure.gov.au.

Yours sincerely

Paul Fletcher
